

# WELACTIN<sup>®</sup>

advanced 3Ta<sup>™</sup>

UNLOCKING THE POWER OF LONG-CHAIN OMEGA-3'S

## FEATURES:

Concentrated omega-3 supplement

Guaranteed levels of EPA, DHA, and ETA

Veterinary-exclusive packaging

## BENEFITS:

Welactin<sup>®</sup> Advanced 3Ta<sup>™</sup> fish oil is in an ethyl ester form, meaning less oil is needed to deliver benefits

- Welactin<sup>®</sup> Advanced 3Ta<sup>™</sup> provides a direct, rich source of long-chain omega-3 fatty acids EPA, DHA, and ETA from wild-caught, cold-water fish.
- ETA is a unique long-chain omega-3 fatty acid found in select marine lipid sources and is believed to be a component of *Perna canaliculus*

Welactin<sup>®</sup> Advanced 3Ta<sup>™</sup> is available in veterinary-exclusive packaging to help prevent online sales. Each dispensing unit contains six 8 oz bottles for dogs.
