Scientifically Proven Joint Care

Key Feature #1:

Made with our world-exclusive, patented, ingredient – Epiitalis®.

Key Feature #2:

Scientifically proven and research driven.

Key Feature #3:

Can be used preventatively or for maintenance for joint care.

Key Feature #4:

It is palatable and easy to administer.

Its Benefit:

Epiitalis® is globally patented for its ability to help maintain healthy joint cartilage growth.

Its Benefit:

Many studies have been done that show the science and the product's efficacy, including disease-modifying properties.

Its Benefit:

Safe in ponies or puppies over the age of six months and there have been no reports of negative side effects from long-term use.

Its Benefit:

The horse formula tastes like apples and the dog formula has a cream flavor. Once daily oral administration and palatability is guaranteed.
