VETERINARY STRENGTH

HEALTHY HIP & JOINT

PROFESSIONAL STRENGTH HEALTH SUPPLEMENT VPS

New name, same trusted VetriFlex® formula

Feature/Function:

Does not have a recommended loading period.

Benefit:

Your clients will be thrilled that they no longer have to go through a costly and lengthy loading period, which can lead to greater compliance.

Feature/Function:

Has a robust formula of glucosamine HCL, MSM, GlycOmega ™ brand perna mussel, manganese, HyaMax® Low Molecular Weight Sodium Hyaluronate (Hyaluronic Acid), Sodium Selenite (Selenium) and N,N-Dimethylglycine HCl (DMG).

Benefit:

Veterinary Strength Healthy Hip & Joint contains a unique combination of ingredients designed to address the many aspects of hip and joint health, such as providing the critical building blocks for cartilage and soft tissue, and helping to replenish synovial fluid.

Feature/Function:

Contains Phytosome™-based ingredients – CurcuVET® brand Curcumin, Casperome® brand Boswellia, and LeucoSelect® brand Grape Seed Extract.

Benefit:

Veterinary Strength Healthy Hip & Joint goes beyond the typical hip and joint supplement. These unique Phytosome™ ingredients easily cross the gut barrier, resulting in superior absorption and significantly higher blood levels of each ingredient to support a healthy inflammatory response, helping patients feel and act better faster.

VETERINARY STRENGTH

Healthy Hip & Joint

Veterinary Strength Healthy Hip & Joint is formulated to provide more comprehensive joint support than the average supplement by also assisting with a healthy inflammatory response.

Our formula of glucosamine HCl, MSM, and pernabased chondroitin sulfates provide critical building blocks for cartilage and soft tissue, and helps replenish synovial fluid.

Veterinary Strength Healthy Hip & Joint takes the Extra Strength Healthy Hip and Joint (Formerly GlycoFlex® 3) base – including Glucosamine HCL, MSM, DMG and perna – and adds HyaMax® low molecular weight Hyaluronic Acid, LeucoSelect® Grape Seed Phytosome™, CurcuVET® Cucumin Phytosome™, and Caspersome® Boswellia Phytosome™ to support a healthy inflammatory response.

The utilization of phytosome ingredients help eliminate the costly and lengthy loading period, which means your clients will see quicker results and improved compliance.

Veterinary Strength Healthy Hip & Joint is available in a highly palatable chew or chewable tablet, and is backed by a 100% satisfaction guarantee. If for any reason your client is not satisfied with their purchase, they may either request a refund or replacement.*

- Proven hip & joint health ingredients
- Additional Phytosome™ ingredients support a healthy inflammatory response
- No loading period for lower initial cost and greater compliance
- 100% satisfaction guaranteed
